

This here is my default path / folder for Plugins

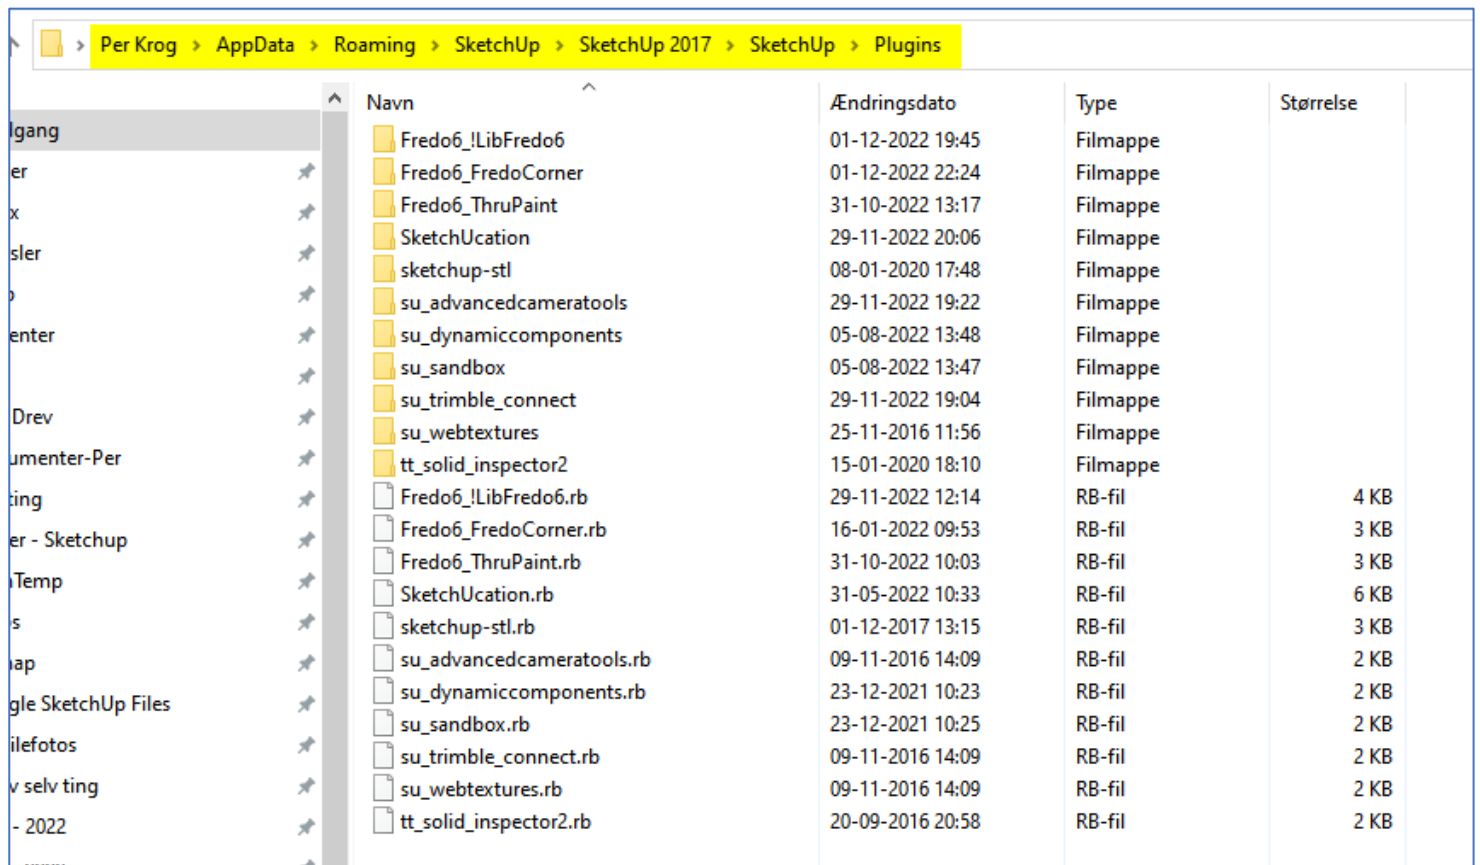

The screenshot shows a Windows File Explorer window with the address bar set to: Denne pc > DATA (D:) > Google Drev > 15_Google SketchUp Files > PlugIns >. The main pane displays a list of files and folders with columns for Name (Navn), Last Modified (Ændringsdato), Type, and Size (Størrelse). The search bar at the top right contains 'Søg i PlugIns'.

I always put the license file that belongs to the individual plugins in the same folder as the plugin file.

And I think this must be the path / folder where the individual plugins are located when they are installed, is that correct?

The screenshot shows a Windows File Explorer window with the address bar set to: Per Krog > AppData > Roaming > SketchUp > SketchUp 2017 > SketchUp > Plugins. The main pane displays a list of files and folders with columns for Name (Navn), Last Modified (Ændringsdato), Type, and Size (Størrelse).
